Davy Jones
His Majesty's Scribe

SPECIAL POLLYWOGS DAY NOTICE

1. Last night at 0000 a Mermaid Messenger hailed the ship and informed the Captain that Davey Jones, the Royal Scribe, will come aboard REEVES sometime this afternoon to deliver a communication from Neptunus Rex into whose Royal Domain the ship will be entering.
2. The Royal Scribe will come aboard officially, that is, as a personal Ambassador Extraordinary and Minister Plenipotentiary of His Majesty Neptunus Ruler of the Raging Main and Mystic Deeps.
3. All hands must realize that this official visit will be a most solemn occasion. All are enjoined to help insure that the good name REEVES is in no way detracted from.
4. It is the custom of this occasion, that all Pollywog Hazing will cease upon arrival of Davey Jones this afternoon in order that the last few hours may be used to prepare for a fitting and colorful ceremony for His Majesty.
5. The Royal Scribe and his party are expected to arrive sometime after 1500. However, the exact time of arrival or means by which he will arrive is not known. He may come by plane or helicopter, ship, submarine, amphibious jeep, dolphin chariot or sea horse punt. 7. The Royal Scribe along with the Captain and Commodore will be the guests at dinner in the Crew's Mess. He will be accompanied by the Senior Enlisted Pollywog and the Senior Commissioned Pollywog who may attempt to win the good graces and mercy of Neptunus Rex by paying tribute to his Royal Scribe.
